De'Longhi **Dehumidification**

DEX 212SF

Extremely quiet !

Without compromising its dehumidification capacities, DEX212SF is **suited for the bedroom.**

37% less noise for a quieter, yet performing dehumidification ****

Active carbon filter against odours

Improving air quality thanks to a **triple filtration system: a dust-filter**, a removable **allergen filter** that captures various allergens and a **Carbon Active Filter** to help removing odours

AS certification

The CERTIFIED asthma & allergy friendly™ Mark is a Registered Certification Mark of ALLERGY STANDARDS LTD

Clothes Drying function

With the clothes drying function, the DEX212SF helps to reduce laundry drying times.

Drain System

To remove moisture without any need to empty the tank.
