Comfort

Low-noise Design

Minimize noise and maximize comfort by optimizing the refrigeration and air duct systems. The noise is as low as **39dB**.

Midea

Comfort

Low-noise Design

DF Dehumidifier uses the reciprocating compressor with less vibration, which can effectively reduce noise.

Reciprocating
Compressor

Smart

Smart Dehumidification

Automatically control room humidity in a comfortable range **45%-55%** according to room temperature, which inhibits bacteria growth.

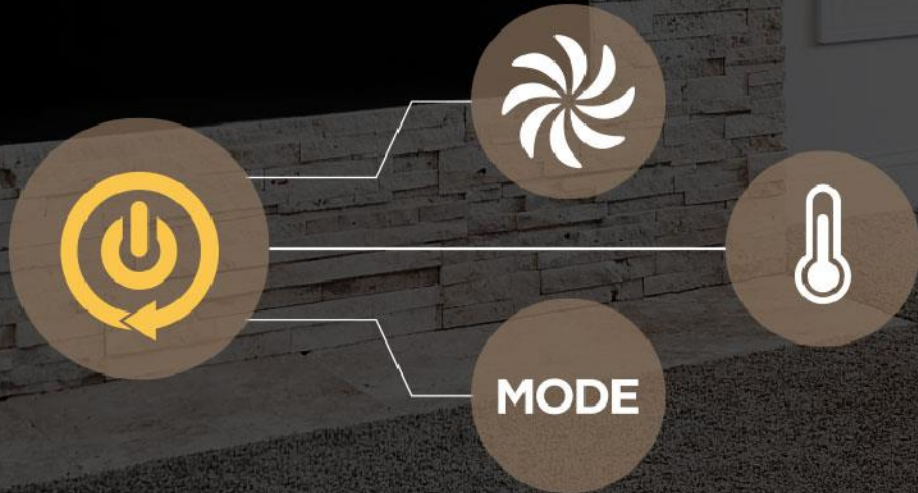

Smart

Auto Restart

If the unit breaks off unexpectedly due to the power cut, it will restart with the previous function setting automatically when the power resumes.
