# **Honeywell** | Evaporative Air Cooler

# CL48PM

### For Indoor/Semi-Outdoor Use

This stylish and powerful evaporative air cooler keeps indoor and semi-outdoor environments comfortably cool and breezy. Its powerful motor and wide fan blades help to deliver strong air flow while the 3-sided honeycomb cooling media keep performance optimal. A continuous water supply connection, large water tank, and built-in water overflow protection system allow long periods of cooling, making it ideal for more demanding applications.
