

Redring offer a range of instant electric shower accessory kits to suit individual preferences and budgets.

Features

- Easy rub-clean showerheads with single or multiple spray mode options
- Stainless steel riser rails with variable top bracket fixing centres
- Anti-kink flexible shower hoses in different kit lengths
- A robust Care Pack option with 1 metre heavy duty riser rail and a longer 2 metre shower hose for maximum flexibility and convenience in assisting seated showering
- The Care Pack heavy duty riser rail with its metal reinforced fixing brackets offers the additional safety reassurance of a 250kg* load grab rail support, ideal for venerable users in potentially slippery wet room areas
