

TC50PE

For Indoor/ Semi-Outdoor[#] Use

The TC50PE is ideal for indoor/ semi-outdoor[#] cooling in a medium to large-sized space. The unit is lightweight and has a slim and functional design. The TC50PE has wide angle adjustable front louvres for maximum cooling coverage.

It has an easy-access water fill door that helps for pain-free refilling, and four durable caster wheels. The TC50PE has a digital control panel for ease of use and full function remote control that lets you operate your cooler from across the room. Depending on your needs the unit has three functional speeds.

Product Dimensions (in): 15.9 (W) 15.9 (D) 53.6 (H)
Net Weight: 10.6 kg/ 23.4 lbs

LED Control Panel

Remote Control

FEATURES & BENEFITS

Low Power Consumption
120 Watts*

Water Capacity
50 L⁺

Cools Up To
32 m² (342 ft²)

Powerful Air Flow
1000 m³/hr (588CFM)*

3 Speeds
Low / Medium / High

Slim Design

Wheels for Easy Mobility

Water Fill Door

Honeycomb
Cooling Media and
Mesh Filter

Oscillating Louvers
