

TP-SMALL

24L Portable Dehumidifier

The Honeywell Dehumidifier is designed for convenience with userfriendly features, a durable, compact, glossy-white body that blends elegantly in any room.

These dehumidifiers help remove moisture daily from small to medium sized rooms such as bedrooms, dens, bathrooms and living rooms. A smart digital humidistat control system automatically senses room moisture levels and activates dehumidification to help maintain desired humidity levels.

Honeywell Dehumidifiers are designed for portability, with smooth-gliding castor wheels and convenient top handles to move the unit from room to room with ease. The continuous drain option further increases flexibility by allowing you to continuously drain the condensate water.

Product Dimensions (mm): 335 (W) 267 (D) 511 (H)
Net Weight: 14.8 kg

Versatile Digital Control with Mirage Display

Washable Dust Filter and Filter Clean Alert

Heavy-Duty Handle and Cord Winder

Continuous Drain Option

FEATURES & BENEFITS

Dehumidification Capacity
24 L / 24 hours*

Water Capacity
3.3 L*

Power Consumption
330 W*

Sound Level
49.5 dbA*

Easy Mobility

R290 - Eco-Friendly,
Non-Ozone Depleting
Refrigerant

Convenient Auto Restart
Feature In Case Of
Power Outage

Full Tank Alert System with
Automatic Shut-off

Low Temperature Feature
Automatic Defrost Control

Sleep Mode
